The **Operations Centre** will assist in finding and arranging medical care; provide claims management and payment assistance under this insurance; pay **hospitals** and other medical providers directly whenever possible; and coordinate claims with **your GHIP** whenever possible.

If the expense related to a **covered service** is relatively small, the **hospital** or **physician** may ask **you** to pay. **You** will be reimbursed for these expenses upon submission of a claim. In order to benefit from payment assistance and other assistance services, **you** or someone acting on **your** behalf must notify the **Operations Centre** before seeking medical **treatment** or as soon as medically possible after being admitted to a **hospital**. If **you** do not notify the **Operations Centre** at an early stage in **your** claim, **you** may receive inappropriate or unnecessary medical **treatment**, which may not be covered by this insurance.

NOTE: Failure to contact the **Operations Centre** could result in **your** expenses not being covered, denial or a delay in the settlement of **your** claim.

How do I claim if the Operations Centre was not contacted? **You** must first submit the original receipts to **your GHIP** and any other applicable insurance plan. If any expenses remain unpaid, submit copies of all receipts with **your** claim form to:

Failure to provide the requested documentation to substantiate **your** claim under this **certificate** will invalidate **your** claim.
6. **You** agree to cooperate fully with the **insurer**, and as a condition precedent to the payment of benefits, the **Operations Centre** reserves the right to obtain all pertinent records or information from any **physician**, dentist, practitioner, **hospital**, clinic, **insurer**, individual or institution to assess the validity of a claim submitted by or on behalf of any **insured person**. 12 General provisions

1. The Out-of-Province/Country Emergency Medical Insurance provided in this **certificate** is supplemental in that it pays for covered expenses in excess of **your GHIP** and any other insurance plan. Benefits payable under any other insurance plan under which **you** may have coverage will be coordinated in accordance with the current guidelines issued by the Canadian Life & Health Insurance Association. Payment under the insurance and any other plan shall not exceed 100% of the eligible charges incurred. This insurance also allows the **insurer**/the **Operations Centre** to receive in **your** name, and endorse and negotiate on **your** behalf, these eligible payments. When **GHIP** and other insurance payments have been made, this releases **GHIP** and the other insurers from any further liability in respect of that eligible claim.
2. All amounts stated in the **certificate** are in Canadian currency unless otherwise indicated. This insurance does not reimburse interest charges. If **you** have paid a covered expense, **you** will be reimbursed in Canadian currency at the prevailing rate of exchange on the date the service was provided.
3. Payment of Benefits: Benefits payable under this **certificate** will be paid within 60 days of receipt of satisfactory proof of loss. Payment made in good faith will discharge the **insurer** to the extent of this claim.
4. False Claim: If an **insured person** makes any claim knowing it to be false or fraudulent in any respect, coverage under this **certificate** shall cease and there shall be no payment of any claim made under this **certificate**.
5. In the event of a payment under this **certificate**, the **insurer** has the right to proceed in the name of any **insured person** against third parties who may be responsible for giving rise to a claim under this insurance. The **insurer** has full rights of subrogation. The **insured person** will execute and deliver such documents, and fully cooperate with the **insurer**, so as to allow the **insurer** to fully assert the right to subrogation. The **insured person** will not do anything after the loss to prejudice such rights.
6. Legal Action: Every action or proceeding against an **insurer** for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the *Insurance Act* (for actions or proceedings governed by the laws

of Alberta and British Columbia), *The Insurance Act* (for actions or proceedings governed by the laws of Manitoba), the *Limitations Act, 2002* (for actions or proceedings governed by the laws of Ontario), *The Limitations Act* (for actions or proceedings governed by the laws of Saskatchewan) or other applicable legislation. For those actions or proceedings governed by the laws of Quebec, the prescriptive period is set out in the *Quebec Civil Code*. In addition **you, your** heirs and assigns consent to the venue of any action or arbitration being only in the province or territory where the Certificate of Insurance was issued and at a venue the **insurer** and/or Allianz Global Assistance choose.

7. Notwithstanding anything to the contrary, no provision of this **certificate** shall be deemed to have been waived, either in whole or in part, unless the waiver is clearly stated in writing and signed by the **insurer**.
8. The benefits, terms and conditions of this **certificate** shall be governed by the insurance laws of the province or territory in Canada where the **insured person** normally resides.
9. Any provision of this **certificate**, which is in conflict with any federal, provincial or territorial law of the **insured person's** place of residence, is hereby amended to conform to the minimum requirements of that law.
10. The **certificate** does not provide any cover for any business or activity to the extent that such cover would violate any applicable national economic or trade **sanction** law or regulations.
11. From time to time the **insurer** and the policyholder may agree to make changes to the benefits or premiums through an amendment to the **certificate**. The amendment is not valid unless both the **insurer** and the policyholder approve it. **You** will be given prior written notice of any changes in the **certificate**. The **insurer** will send this notification to **you** at **your** address as it appears on the **insurer** records.
12. Statutory Conditions: Despite any other provision contained in the contract, this contract is subject to the statutory conditions in *The Insurance Act* respecting contracts of accident insurance.
